

Biofuel Research Journal

The submission website for this journal is located at: <http://www.biofueljournal.com/author>.

Submission Instructions:

To ensure that all manuscripts are correctly identified for inclusion into the special issue you are editing, it is important that authors select the "Advances of Biohydrogen Production" when they reach the "Select Manuscript Type" step in the submission process. The submission deadline is 31st of March, 2021.
